ARTICLE 2 - NEGOTIATIONS PROCEDURE

by the Board, the finalized line item school budget, and all other pertinent records, data and information which are part of the public record of the school system.

ARTICLE 3 - GRIEVANCE PROCEDURE

A. Definition of Grievance

1. A "grievance" shall mean a complaint by a regularly employed employee or employees of the Board that there has been to him or them an actual personal loss or injury because of an interpretation, application or violation of policies, agreements, and administrative decisions affecting him or them.

2. Additionally, and as detailed more fully below (Section B, Paragraph 4), the Association shall have the right to employ this grievance procedure.

3. A complaint will not be processed as a grievance under this procedure if it involves or applies to: a complaint of a non-tenure employee which arises by reason of his not being re-employed, a complaint by any certificated personnel occasioned by lack of appointment to or lack of retention in any position for which tenure is either not possible or not required, and in matters where a method of review is prescribed by law, or by any rule, regulation, or by law of the State Commissioner of Education or the State Board of Education. Any non-tenure employee who is not offered a succeeding contract shall be permitted a conference with the Superintendent, if requested, to discuss the non-renewal of his employment. Any certificated employee who has not been reappointed to a position for which tenure is

either not possible or not required shall be permitted a conference with the superintendent, if requested, to discuss his not having been reappointed to such position.

4. A grievance to be considered under this procedure must be initiated by the employee within 30 calendar days of its occurrence or within 30 calendar days after the employee would reasonably be expected to know of its occurrence.

B. Procedures

1. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the Grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step. The time limits may be extended by mutual agreement in writing. Every effort shall be made, however, to process grievances as rapidly as possible and the number of days indicated should be considered as a maximum. Failure to appear at a scheduled hearing without reasonable cause shall constitute abandonment of the grievance.

2. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

3. An employee shall have the right to present his own grievance

or to designate a representative to appear with him at any step in his appeal. A minority organization shall not present or process grievances. The Board shall have the right to designate a representative to participate at any stage of the grievance procedure.

4. If in the judgment of the Association a grievance affects ten or more employees, the Association may process such a grievance by providing a listing of names of at least ten of said employees.

5. The order of appeal for all members of the professional staff and aides shall be first to the (1) Department Head, if there is one, then to the (2) Principal, (3) Superintendent, and (4) Board. There shall be the following exceptions: for psychologists, social workers, and learning disabilities specialists the order of appeal shall be to the (1) Director of Special Services, then to the (2) Superintendent, and the (3) Board. For all other members of the non-teaching staff the order of appeal shall be first to the (1) Immediate Superior, then to the (2) Assistant Superintendent for Business, (3) Superintendent, and the (4) Board.

6. An employee who has a grievance shall discuss it first with the Immediate Superior as indicated in Paragraph B. 5 above in an attempt to resolve the matter informally at that level. The Immediate Superior shall schedule a meeting with the Grievant and/or his representative to be held within two school days of notification to him by the Grievant or his representative that a grievance is being presented. If the Immediate Superior does not so schedule a meeting, the Grievant

may proceed to the next step.

7. If the matter is not resolved to the satisfaction of the Grievant within 2 school days of the discussion with the Immediate Superior he may, within 3 school days of the date of the discussion, set forth his grievance in writing to the Authority listed in Step Two of the Order of Appeals specifying (a) the nature of the grievance, (b) the nature and extent of the injury or loss, (c) the results of the previous discussions, and (d) the basis for his dissatisfaction with the decisions previously rendered. The Authority listed in Step Two of the Order of Appeals shall, before holding the hearing with the Grievant and before rendering his decision, advise the Association through the Office of the Superintendent of the pendency and nature of such grievances unless it is clear that the Association is representing the Grievant in the presentation of the grievance. When a member of the negotiating unit is not represented by the Association in the presentation of his grievance, the Association shall have the right to have a representative be present at the hearing before said Authority with Grievant and at subsequent grievance hearings and state the views of the Association with regard to the grievance, and the Association shall be notified in writing of the disposition of the grievance at this and all subsequent steps. The Authority shall communicate his decision to the Grievant and Association in writing within 3 school days of re-

ceipt of the written grievance. If the Authority is the Superintendent, he shall have 8 school days from receipt of the written grievance to communicate his decision in writing to the Grievant and Association.

8. If the Step Three Authority is the Superintendent, the Grievant may, no later than 3 school days after receipt of the decision of the Step Two Authority, appeal in writing to the Superintendent reciting the matter submitted in the prior step as stated above and the Superintendent shall have 8 school days from receipt of the written grievance to hold a hearing and to communicate his decision to the Grievant and Association in writing.

In the case of grievances initiated after May 15th, in those cases where the Superintendent is the Authority listed in Step Three of the Order of Appeals, the appeal to the Authority listed in Step Two may, at the option of the Grievant, be combined with and made part of the appeal to the Superintendent. The Superintendent shall have 8 school days from receipt of the written grievance to communicate his decision in writing to the Grievant and Association.

9. If the grievance is not resolved to the Grievant's satisfaction at the level of the Superintendent he may, no later than 5 school days after receipt of the Superintendent's decision, request a review by the Board. The request shall be submitted in writing through the Superintendent, who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall

hold a hearing with the Grievant, if so requested, within 15 calendar days of the date of receipt by the Superintendent of the request for review by the Board and shall review the grievance and shall render a decision in writing within 30 calendar days of receipt of the grievance by the Superintendent for review by the Board or within 15 calendar days of the hearing with the employee, whichever comes later.

10. If the Grievant is dissatisfied with the decision of the Board, he may request arbitration under the provisions of this Agreement, such request to be made in writing to the Superintendent no later than 5 school days after the written decision of the Board has been received. The Superintendent shall send a copy of the request to the Association, if the Association has not joined the Grievant in submitting the request, and the Association may be present at the hearing before the arbitrator and state the views of the Association with regard to the grievance.

11. The following procedure will be used to secure the services of an arbitrator:

a. Within 3 school days of receipt of the written request for arbitration, a request shall be made by the Grievant to the American Arbitration Association to submit a roster of persons qualified to function as an arbitrator to assist in the settlement of the grievance and willing to conduct hearings outside of school hours.

b. If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list within 3 days of receipt of same, either party may request the American Arbitration Association to designate an arbitrator.

12. The Arbitrator shall limit himself to evidence and arguments presented to him by the parties or their representatives and shall consider nothing else. He can add nothing to, nor subtract anything from, the Agreement between the parties or any policy of the Board. The report of findings and recommendations of the Arbitrator shall be recommendatory or advisory only, except that they shall be final and binding on both parties when contract items are in issue. Only the Board, the Association, the Grievant and his representatives shall be given copies of the Arbitrator's report of findings and recommendations. This shall be accomplished within 15 calendar days of the completion of the hearing. Such report of findings and recommendations shall be kept confidential and shall not be disclosed by either party or their representatives to any other person nor shall such report of findings and recommendations be released, directly or indirectly, all or in part, by the parties or by the Arbitrator for a period of 15 calendar days after issuance to the parties by the Arbitrator. Either party may, after review of the Arbitrator's report and recommendations, affirm or modify its previous position. Each party shall, within 15 calendar days of receipt of the Arbitrator's

report and recommendations, notify the other in writing of the affirmation or modification of its previous position.

C. Costs

1. Each party will bear the total of the costs it has incurred.

2. The fees and expenses of the Arbitrator are the only costs which will be shared by the two parties and such costs will be shared equally.

3. The written request for arbitration provided for in Paragraph 10 preceding shall contain a certification of assumption of obligation to pay one-half of the fees and expenses of the Arbitrator by the Grievant or by the Association as authorized by the President.
